### New Slide-in Ranges...

Does your customer love a sleek, built-in look but only have room for a range? Replace their freestanding range with a slide-in range without changing cabinetry or countertops. These sleek, full-depth ranges optimize counter space, offering five burners, ovens with European convection and a convenient warming drawer.

### Full-depth Slide-in Ranges

- Fits into any free standing range cut out
- No filler strip needed
- Multiple fuel options: Gas, Electric and Dual Fuel
- Warming drawer on every model

Perfect for customers limited on space!

### Genuine European Convection

#### Advanced Circulation System (ACS)

##### Description

- A powerful third heating element (2,000 W, 2 coil) surrounds the convection fan

##### Customer Benefit

- Allows food to be cooked more evenly in up to 30% less time
- Optimized heat circulation

### A range of ways to cook. One exceptional way to engineer them

Using components from our built-in products, we are able to offer a versatile range to fit in any kitchen
