

New year. New kitchen. Why sell a Bosch kitchen suite in 2017?

Convection cooking delivers oven-like results.

Sensors in the VitaFresh drawers ensure that the temperature is kept at the ideal level of +32°F for optimized freshness and longer storage results.

Expandable wings on our flexible 3rd rack adds 30% more loading capacity and provide extra height to fit ramekins, measuring cups and extra large utensils

40 dBA: Quietest dishwasher brand

RackMatic® offers 3 height levels, for 9 possible rack positions.

Genuine European Convection disperses even heat throughout the oven for consistent baking results on every rack. Five gas burners accommodate multiple dishes of various sizes for more cooking flexibility.

Also available in gas or electric
